BAND CAMP A HUGE SUCCESS!

Thank you to all who helped during the band camp which was one of the best that I have ever had. I really appreciate all of the support that you give to the band program! Camp is only the beginning, so every rehearsal is extremely important to having a successful performance each week. Students should continue to drink plenty of water everyday and eat breakfast and lunch so that they have enough energy when they get to practice after school. I hope that you enjoyed the Parent Night and earned a new appreciation for all of the hard work that your child does on the field every week. Your encouragement at home makes a dynamic difference!

From The Band Boosters

Dear Parents,
On behalf of the officers of the BHS Band Booster Association, we would like to express our sincere appreciation for the parent volunteers that helped with band camp. With the help and support that you provided, this years band camp was a huge success and everyone had a great experience. The parent's performance was also a wonderful event thanks to the support of the parents. It was nice to see the participation level in the parent training session and the smiles on the kid's faces as the parents attempted to learn the ropes. I know it was more complicated than I had thought and I don't think we will see the Geriatric Band of the Braves taking the field anytime soon. Be sure to check out your photo on the media page of the web site. As we begin marching season, you will have plenty of other opportunities to volunteer and we hope that you will continue the level of support that you have shown so far and help us to make this one of the best years yet. Thanks again and we look forward to working with you in the near future.
